Animal Control Officer Certification

This 40-hour course prepares the student to serve in the capacity of an Animal Control Officer. We can help you build a foundation based on knowledge to meet the necessary standards of training and performance for a potential county or city employee. Report writing and courtroom testimony is also highlighted to instill and build confidence and credibility.

The course curriculum is approved by the Florida Animal Control Association. An animal control officer who successfully completes such course shall be issued a certificate indicating that he or she has received a passing grade.
