

ANIMAL CONTROL OFFICER CERTIFICATION TRAINING

Attention Animal Control employees and others who wish to obtain
Florida Animal Control Certification

This instructor led classroom course provides basic instruction in areas of concern to personnel whose duties include capture, control, and the keeping of domestic and wild animals. Instruction includes legal procedures, veterinary considerations, and domestic animal anatomy. Use of restraint and capture equipment, report writing procedures, driver's awareness, human, public and violator relations and euthanasia considerations are among topics covered.
