**The Resource for
Rescue, Adoption, and Education**

Veterinary Technician (Full-Time)

Cat Depot, a rescue, adoption, education and resource center in Sarasota, Florida is seeking an experienced Certified Veterinary Technician or Veterinary Technician with two years' experience for surgery, dentals, intake, ordering, inventory, tracking, and cleaning.

We are a team-oriented organization with a respect for leadership capabilities. Excellent pay, health benefits, and growth potential. Earning potential up to \$18.00 per hour, based on experience/skill.

We are looking for a positive and innovative individual who wants to make a difference for shelter animals as well as guests in our cat care clinic.

Requirements:

- Must have flexible hours and be able to work weekends.
- Polished and personable candidate needs ability to multitask and assist with foster care program and education.
- Ability to work with the public and staff is a must.
- Candidate should have leadership skills and be a team player.
- Strong computer and phone skills are needed along with a love for cats, both domestic and feral.

**Email cover letter and resume to: info@catdepot.org
