The following is a Member Support Survey, initiated at the request of a FACA Member. If you can help, please click here now: ["Member Support"](#)

Hello,

We are evaluating our fees and wanted to get some information on other counties in Florida. If you are able to help us with an information request, we would appreciate it.

1. What is your intake fee for stray and owned pets?
2. What is your pet license fee for altered and unaltered animals?
3. What are your standard adoption fees (not including event specials or special pricing)?
4. Do you have a guard dog registration and if so, what is the fee?

Thanks in advance for your help!
