## FACA Member Needs Help!

---

### Palm Beach County Animal Care and Control

The following is a Member Support Survey, initiated at the request of a FACA Member. If you can help, please click here now: ["Member Support"](#)

Hello,

Our animal control officers are required to conduct investigations and remove animals from inside the homes of animal hoarders and other potentially hazardous indoor locations. To do so, they are issued respirators, disposable tyvek suits, and other miscellaneous personal protective equipment(PPE). We are seeking any written policies that would cover when the wearing of such PPE would shift from optional to mandatory. Also, any policies that would cover the responsibilities of the employee as it relates to the care, maintenance, and disinfection of the reusable components of this issued equipment.

Thanks in advance for your help,

Lt. Misti Scaggs, Field Supervisor  
Palm Beach County Animal Care and Control  
7100 Belvedere Road  
West Palm Beach, FL 33411
