FACA Member Needs Help!

The following is a Member Support Survey, initiated at the request of a FACA Member. If you can help, please click here now: ["Member Support"](#)

Good Morning,

Pinellas County is exploring the use of Volunteer ACO's similar to the Sheriff's Office volunteer program. These individuals will assist with enforcement of the licensing compliance program.

Does anyone have a similar Volunteer ACO program currently?

If so are they certified as ACO's?

Do you allow them to write any type of citations?

Any feedback on your program is appreciated.
