Q1 What agency do you represent?

Palm Beach County Animal Care and Control

Q2 What County is your agency located within?

Palm Beach

Q3 What type ACO animal transport units does your agency utilize?

**Frame Mounted,
Vans,**

Other (please specify):

We use mostly fiberglass frame mounted, but also have some Mavron conversion vans

Q4 Are your units air conditioned, vented, or both?

both,

Other (please specify):

the fiberglass units have both, the vans only have AC

Q5 Is the AC unit parasitic to the truck's A/C or is it a self-contained unit?

Other (please specify):

If the truck is off, so is the AC. Not sure if they share coolant, or if they are independant systems.

Q6 When you purchase new transport units, are they installed in your county or do you drop ship the truck to the manufacturer or deliver it somewhere else for installation?

Other (please specify):

We purchase trucks off a state contract and have the dealer work directly with the vendor for the cage units. We do not receive them until everything is done.

Q7 What is your replacement schedule for the transport boxes?

They are replaced when the truck itself is replaced, basically whenever our fleet department determines that it is no longer economical to keep around.

Q8 When your units require service or repair, who does it?

Our fleet department will handle themselves, or contract with someone else to do it, based on the issue.

Q9 Thank you for participating! Can we contact you directly if we have more questions, if so what is your name, email address and/or phone number?
