No

Q1 What agency do you represent?

Tallahassee Animal Services

Q2 What County is your agency located within?

Leon

Q3 For calendar year 2017, what were your operating hours and days that you were open to the public for adoptions: (For example, Tuesday through Sunday 11AM - 7PM)

Tuesday-Friday 10:30am-6:30pm
Saturday 10am-5pm
Sunday 1pm-5pm

Q4 How did you determine these are the best operating hours and days?

We've had these hours for 10+ years. We have found our community has adapted to these hours & I can't recall having a complaint about them other than being closed Mondays. We have considered expanding to opening on Mondays but due to staffing, we do not have the budget or staffing to do so (only 4 shelter employees work on Mondays).

Q5 Are there reasons why you cannot choose different operating hours?

Staffing is the main constraint since every shelter employee has to work Tuesday-Saturday or Sunday-Thursday. We also have shifts from 8am-5pm and 10am-7pm.

Q6 What was your total number of adoptions for calendar year 2017?

3,361

Q7 Which holidays are you open for and which holidays are you closed for?

Closed for Monday holidays (Labor Day, Memorial Day) since we are already closed, Christmas, New Years, 4th of July (due to massive event in the park where the shelter is located), Thanksgiving & Black Friday.

Jacksonville Animal Care & Protective Services

Q8 Can you share any additional data regarding peak adoption times?

Peak times for traffic are typically Tuesdays 10:30am-noon and 3pm-4pm (pick up of animals have surgery). Fridays after 2pm & non-FSU Football game Saturdays.
