FACA Member Needs Help!

Hillsborough County Pet Resource Center

The following is a Member Support Survey initiated at the request of a FACA Member Agency. If you can help, please click on the following link to complete a brief survey: [Member Support](#)

Hello,

Can you advise if there are any agencies, registered within FACA, that have sent any of their Animal Control Officers to the Field Training Officer program offered by junior colleges? This program State Certifies the Officer as a Field Training Officer. I am trying to determine for comparison and future classes that could be offered for FACA. It would be great to know how many have utilized the program.
