The following is a Member Support Survey initiated at the request of a FACA Member Agency. If you can help, please click on the following link to complete a brief survey: [Member Support](#)

Hello,

We are looking for some information on two unrelated issues from other agencies

- 1) Does your agency respond to deceased animal pick-ups on public or private property? If not, is there an agency you refer citizens to?
- 2) Pertaining to Florida Dangerous Dog
 - a. Does your county have any bans on dogs specifically declared as dangerous (not breed) by any other state, now residing within your county?
 - b. Do you have any regulation pertaining to sterilization of dogs declared as dangerous?

Thanks for your assistance
