The following is a Member Support Survey initiated at the request of a FACA Member Agency. If you can help, please click on the following link to take a brief survey via Survey Monkey: [Member Support](#)

Hello Everyone,

Hope all has been well with you. I have some questions that I would like to get feedback on from other counties. If you can please help me out with this again.

The questions are as follows:

1. Do your Animal Services Officers wear ballistics(bullet proof) vests?
2. Do the Officers work for the County or under a Law Enforcement agency?
3. Is it mandatory they wear them or is at the Officer's discretion?

Thank you and I hope you have a Happy Holiday!
