

Nomination for FACA Board of Directors

NAME: Kathleen Labrada

JOB TITLE: Assistant Director, Operations and Enforcement

AGENCY: Miami-Dade Animal Services

COUNTY WHERE LOCATED: Miami-Dade

NARRATIVE: My desire to serve on the FACA Board of Directors stems from a lifetime interest and career devoted to animal care, protection and welfare. The advancement of policy and legislation designed to protect animals and to further the profession of animal control and sheltering is of great importance to me. My career serving animals spans more than 30 years, 22 of which have been with Miami-Dade Animal Services in various capacities to include animal control officer, investigator, humane law enforcement supervisor, enforcement manager, and in my current role as assistant director. I served as a veterinary technician for 8 years prior to joining Miami-Dade Animal Services when my interest became more focused on abandoned and abused animals in need of protection. It would be an honor to serve on the FACA Board of Directors to help further our profession and improve animal welfare.
